His Excellency  
Dwight D. Eisenhower  
President of the United States  
Washington, D. C.

Dear Mr. President,

May I respectfully add the following facts to my recent letter about Karl Eichmann, the notorious Nazi chief planner of the death of millions, who was recently seen in the company of the Mufti on a pullman train between Damascus and Bagdad.

Karl Eichmann was one of the top ring leaders of the Nazi regime and personally directed the mass slaughter of millions of innocent victims. He was among the top few in the Nazi ring who was responsible for most of the plans of attack, intrigue, and mass destruction carried out by the Gestapo and the military machine of Germany.

I strongly believe that he is behind the recent troubles in the Suez Canal area and the disturbances in the Middle East. His presence there is a threat and a serious menace to the security and Peace, not only of the Middle East, but to every democratic country throughout the world. He is also a threat to any defense plans of the United Nations in the Middle East, Far East, or in Europe.

May I, therefore, once again respectfully urge you to use the strong powers of your office so that Karl Eichmann be apprehended through diplomatic channels and stopped from continuing his evil attacks against the forces of democracy.

May I have the honor of your kind reply.

Respectfully yours,

Rabbi Abraham Kalmanowitz,  
President and Dean

Mirrer Yeshiva Central Institute
